Wings Presentation Evening Friday 7 May 2010 6:30 pm

by Jerry Roehr

As you know this year's annual dinner will be our 10th. This Wings Presentation will recognize those members in our Winnipeg Zone who have earned their wings as CASARA Spotters, CASARA Navigators, and CASARA Pilots. Last year we talked about the 100th anniversary of powered flight in Canada. This year, in recognition of the celebrations in connection with the 100th anniversary of powered flight in Manitoba, we will also talk about the significance of aviation in Manitoba.

Our guest speaker will be Mr Harvey Penner, President and Chief Flying Instructor at Harv's Air Service in Manitoba. Mr. Penner was recognized for his achievement with the David Charles Abramson Memorial Flight Instructor Safety Award last November. At that time, Mr. Martin Eley, Director General, Civil Aviation, Transport Canada, made the following congratulatory remarks: "Harvey's passion for aviation and for helping the younger generation of pilots have created a wonderful legacy for the future of aviation in our country. He has established a facility capable of maintain that heritage."

Our Wings Presentation at Larters Golf and Country Club is always the event highlight in the month of May. As preparations for the evening and the silent auction are in full swing, here is what you must do *now*. Buy tickets to the event at \$32.50 apiece or the special price for two of \$65.00 (!!), because you want to show your significant other what a great bunch we are at CASARA. There is also something else we would like you to do. Please solicit sponsorships from your relatives, friends, and business partners. In order to make the event successful, we need donations of prizes and for the auction and we would also be grateful for any cash sponsorship for the wine or the dessert. Let Jerry Roehr know if you need letters of introduction specifically addressed. All sponsors will be acknowledged and listed in the program.

At least 75 tickets have been sold so far. Tickets are available from members of the executive - John Hall, Trevor Mueller, Chuck Wilson, Bill Evans, or Jerry Roehr. Questions about donations and prizes should be directed to Trevor Mueller, Kris Buschau-Lapointe, or Jerry Roehr.

Level 1 17 April

Five new members and several spotters came out to our Level 1 session on 17 April. Excellent weather gave us the opportunity to get all the new members and a couple of spotters a chance to get a flight. Those waiting for their flights tried a new computer based spotter training simulator. This is based on Microsoft Flight Simulator, and uses two (or more) monitors to allow a "pilot" and a spotter trainee to interact to practise call-arounds. Welcome to new members Al Boyd, Garth James, Peggy Neal, Raymond Rittwage, and Roger Samuel.

Night Navigation Exercise 9 April

By Trevor Mueller

Our night nav ex proved to be much more difficult to get off for a number of reasons this year but it's done. The weather was one reason, but trying to get everyone together at another time was another. Being a nav exercise, I asked the Chief Nav for his input, he came back to me with a mission and patterns for each crew to perform at specific locations. In the day time this pattern would be a challenge, at night crews would be forced to rely GPS exclusively to stay on course in the pattern and in our business accuracy is what we strive for, day

or night. In preparation for this all the navs got together to plot out their own track and input it to the GPSs they would be using.

In class this worked fine, in practice some issues arose that we still need to work on. We need to

practise using it as a tool and we're only on an early step of the road, we need to be adept with this technology.

ELT Search St Andrews Airport 8 April

While in a meeting, Jerry Roehr received a call from JRCC Trenton about an ELT transmitting somewhere near Harv's Air Service in St Andrews. Employees from the airport, Harv's, and Keystone Air Service had been looking for the ELT without success for over an hour. Jerry and Jim Bell drove out to St Andrews and promptly located the ELT in the Advance Avionics shop in the Keystone Air hangar. The ELT had been checked previously, but it had an odd snag – the ELT could be switched off, but if it wasn't held in that position, it would continue to transmit.

Suspicion initially fell on the King Air parked beside the hangar, but the ELT was found in the shop, where it had been sent for maintenance.

First Aid Course Brandon 27 March

By Trevor Mueller

At the end of March, we were treated to a last second First Aid course at the Brandon Flying Club. We were hoping for 10 but could arrange 4 who had to eat for 10 - and do it quick before the local 6-toed bob-tailed hangar cat got to it. Being in Brandon also gave us a chance again to work closely with Zone 2 members. The course went fine with the new manual being more user friendly, smaller and with more photos. The biggest changes are in CPR

technique, start with 2 breaths, then focus on pumping blood with 30 fast compressions...1, 2, 3 - 30. We also worked with an automatic defibrillator, there are pictures on the equipment to tell you where to place it and vocal instructions to follow, but it decides if it can shock or not. If you haven't been out to a first aid course in a while I'd strongly recommend going.

Missing Person Search Powerview / Sagkeeng 23 March

Excerpted from the Search Report

On the weekend of 20 March, a fourteen year old male went missing from Sagkeeng First Nation near Powerview. The male was reported missing on Monday afternoon, and we received a task on Tuesday afternoon. The crew, consisting of pilot Chuck Wilson, nav John Carley, and spotters Bill Evans and Danielle Gustafson, proceeded to Powerview and then along the Winnipeg River.

Upon overflying the search headquarters, they began a CLA along Highway 11. Having completed ten legs with no sightings, bingo was reached, and the aircraft returned to St Andrews, landing after three hours. A crew was requested to remain on standby for Wednesday, but by that time, the RCMP considered the case a criminal matter, and the second crew did not fly.

Annual Inventory

By Alf Northam

The Zone inventory was conducted on March 17 (St Paddy's Day). Much fun was had by all. The inventory is more or less the same as last year. As the same team members are used each year, we are

becoming more efficient counting our "beans". Come to the Zone AGM on April 28, 2010 for the inventory report.
